

Select & Better White Ash

Species: Ash (Fraxinus Americana)

Often sought after for its creamy white sapwood, Ash will also include a creamy to dark brown heart-wood. Woodstock's select Ash will limit the amount of heartwood that is allowed. Because it is a select grade, the natural imperfections will be omitted. With the same type of grain pattern as oak, this product has been referred to as the "poor man's oak".

Thickness: 3/4"

Widths Available: 2 1/4", 3 1/4", 4", 5", 6", 7"

Lengths: 12"-84"

Manufacture: Tongue & Groove, end matched

Hardness (Janka): 1320 or 2% harder than Red Oak

Fun Fact: The durability of this wood and its lightweight nature makes for an excellent baseball bat.

Note: Shading and grading may vary from this sample!
